From "Quizlet Alternatives: 8 Best Free and Paid Apps (2026)" on the StudySim blog (studysim.ai/blog/quizlet-alternatives). Tool facts checked on vendor pages, October 26, 2026.

1. Pick an alternative

If you...	Start with	Paid from
Want free Learn and test modes for your Quizlet sets	Knowt (2-click Quizlet import)	Free Basic; Ultra \$12.99/mo billed annually
Need to remember material for months, for free	Anki	Free on computers/Android; AnkiMobile \$24.99 one-time
Prep for a certification or dense exam	Brainscape	Free Basic; Pro \$7.99/mo
Take notes and want cards made from them	RemNote	Free; Pro \$8/mo billed yearly
Want a free Quizlet-like web app with import	OmniSets (Quizlet + Anki import)	Free, ad-supported
Want offline markdown cards, no account	Mochi	Free; Pro \$5/mo billed annually
Want AI quizzes from slides and YouTube	Gizmo	Free to start
Want cards, quizzes and guides from your own class files	StudySim	Free generator; Pro \$1 for 3 days, then \$20/mo or \$120/yr

2. Switch without losing sets

- ☐ List the Quizlet sets you still use; archive the rest
- ☐ Move the set for your next test first
- ☐ Import active sets with the new app's import tool
- ☐ Spot-check a few cards per set (images, formatting)
- ☐ Turn on spaced repetition or reminders
- ☐ Study in the new app for one week before moving everything
- ☐ Add practice questions a few days before each exam

3. Set tracker
