SAT Prep App Picker + Practice Log

From "Best SAT Prep Apps" on the StudySim blog. Exam facts and dates from College Board (checked Nov 28, 2026). Prices from each provider's page on Nov 28, 2026; prices change, so confirm before you pay.

1. The digital SAT at a glance

Section	Time	Questions
Reading and Writing	64 minutes (two 32-minute modules)	54
Math	70 minutes (two 35-minute modules)	44
Total	2 hours 14 minutes, plus a 10-minute break between sections	98

Each section has 2 modules. Module 1 is a broad mix of easy, medium and hard questions; module 2 depends on how you did on module 1. Some Math questions ask you to enter the answer.

2. SAT Weekend dates, 2026-27 (deadlines end 11:59 p.m. ET)
